Statement on Environmental Conservation

BFP FOA recognizes the importance of conserving natural resources and the need to act responsibly in the use of those resources. The utmost priority is to the children and families served. BFP FOA strives to identify and purchase environmentally preferable supplies and services for daily operational needs and for company events where appropriate and economically feasible. Wherever possible, BFP FOA actively engages in ways to conserve energy, reduce waste, and promote recycling and re-use within the organization.
